

## **New England Region Stitching Get-Away Saturday and Sunday, April 28 and 29, 2018 Marriott Courtyard Portsmouth – Portsmouth, New Hampshire**

NER is proud to host **Mary Alice Sinton** teaching "**Paisley on Parade**," a fascinating beaded embroidery class. All EGA members living in the New England Region are invited to join us for a fun-filled, educational week-end of stitching excitement. The Marriott Courtyard hotel is conveniently located at 1000 Market Street, near Exit 7 of I-95 in Portsmouth, New Hampshire, just over the bridge from Maine.

### **The Fine Print**

EGA has been the beneficiary of a sizable bequest from the estate of member Gay Phillips. Each Region has received a grant from these monies. NER is using these funds to pay all the teaching, travel, and classroom rental costs for this two-day workshop. The student's only expense is the \$139 fee, which covers the kit and lunch both days. If the student needs a Japanese Beading Koma, there is an additional charge of \$15 (see class description below for more information).

Classes begin at 9:00 in the morning both days and end at 4:45 on Saturday afternoon and 3:15 on Sunday. There will be a break for lunch, which will be served by the hotel.

Space in the class is limited. Registration closes on March 1, 2018. Registrations will be processed in the order in which they are received.

If you desire overnight accommodations, please contact the Marriott Courtyard directly. Rooms at the hotel are available at the nightly rate of \$129 (plus room tax). This rate is guaranteed until February 28, 2018, after which the rooms will be released and you will be charged the going rate, which varies based on availability of rooms. Your registration confirmation will include a clickable link that can be used to book your sleeping room at the group rate. Alternatively, you may call the hotel at 603-436-2121 and mention "New England Embroiderers' Guild" when making your reservation.

### **Paisley on Parade with Mary Alice Sinton**

Level: Advanced Beginner

Design: 5¼" x 4"

Finished Box: 5¼" x 4" x 2½"

The Paisley on Parade satin oval jewelry box is done in the Japanese bead embroidery method. This technique incorporates silk embroidery techniques translated with beads rather than silk threads. The beads used are a wide variety of Tri-cut and glass seed beads. The foundation fabric is a paisley 100% cotton fabric called *Chocolat* by Moda. The piece is stitched on stretcher bars.

Note that the student must have Japanese Beading Koma, wooden spools with flat ends that are used when couching (tacking down) threads. Traditional Japanese Embroidery uses a pair of Koma. Mary Alice and her woodworking husband have designed a single beading Koma to be used for Japanese beading. If you have a pair of Koma from traditional Japanese embroidery or the specially designed single Beading Koma from a prior class with Mary Alice, you're all set. If not, you should order a Beading Koma as part of your kit, at an additional cost of \$15.
